Sir,

SUBJECT Regarding Power Charges of Davangere Water Works at Harihar

---

I write to state that the Power consumed by the above installation is being charged at 6 of an anna per unit The Average consumption per month works upto 89000 K W H and the charges works upto Rs 2,000/- P M exclusive of Tax and meter rent

I learn that a rebate on load factor is granted in respect of Thippegondanahally Water Works and that in big Industrial concerns, separate charges are being levied on day and light loads If the same concession is extended to this Municipality, it will end in a net savings of Rs 1,200/- per month or Rs 14,000/- per annum

In view of the limited resources of this Municipality, I request that orders of Government may kindly be obtained to extend this benefit for this City Municipality also

Forwarded

(I Doddaveerappa)
President,
City Municipal Council,
DAVANGERE

Yours faithfully,

Sir,

Regarding power charges of Davangere Water Works at Harihar- R.R No HRP-6
" ~~HRP-5~~ "

With reference to your U.O.No EDS.185/Elecl dated 7 Pay C 8-1-1953 and in continuation of this office letter No.48347-8 dated 23-1-1953 on the above subject, I write to forward herewith a copy of letter No.22554 dated 20-2-1953 of the Superintendent, Power & Lighting, Bhadravati wherein he has furnished full particulars of the above installation and to state that as the rating of the installation is only 165 H P., that is, less than 200 H P., the lower rates of 0.55 of an anna for "Day Power" and 0.35 of an anna for "Night Power" cannot be extended.

Further since the question of general revision of all rates for power supply is under consideration of the separate committee formed in G.O.No F.I.9128-30.G F.190-50-4 dated 14.3.51, the existing rate of 0.6 of an anna per unit may be continued.

The above U.O reference and its enclosure (letter No. 7 Pay A" H C 66-52-53 dated 1-11-52 of the Municipal Commissioner, Davangere City Municipality addressed to Government) are sent herewith.

Yours faithfully,
G Chandy 6/3
(G CHANDY)
Chief Electrical Engineer.

Copy of letter No.22554 dated 20-2-53 from the Superintendent, Power & Lighting, Bhadravati, to the Chief Electrical Engineer in Mysore, Bangalore

Power charges of Davangere Water Works

With reference to your letter No C 252/46761 of 15-1-53 and copy of your letter No C 252/48347-8 dated 23-1-53 addressed to the Secretary to Government, Electrical Department, Bangalore in continuation of this office letter No 19044 of 3-1-53, I write to state that the following details required by you,

1 The installation has a nominal H P of 336 and rated to 165 H P
2 The monthly average consumption works out to 80795 kW hrs.
3 The average revenue/month is Rs 3,334-12-0
4 Monthly bills are prepared at 0 6 of anna per unit without a minimum
5. No discounts are being allowed on load factor so far
6. The day and night meter readings for 2 months from 5-12-52 to 5-2-53 ~~herewith furnished~~ were taken

From the readings taken for the last 2 months, average day consumption works out to 46937 units and night consumption 38040 units per month Applying 55 of anna for day power and 35 of anna for night power the charges work out to Rs 1613-8-0 and Rs 832-2-0 or a total of Rs 2445-10-0 per month Moreover, since the rating of the installation is below 200 H P and the distribution transformers are owned by the Department, the day and night rates cannot be made applicable to them without specific sanction of Government Suitable report may kindly be sent to the Government regarding the matter.
